CONSENT AND AUTHORIZATION BY PROPERTY OWNER TO ALLOW TENANTS TO RECEIVE WATER/SEWER/REFUSE BILLS

The undersigned owner of the property referenced below, located in Beecher, Illinois, acknowledges that pursuant to the Village of Beecher Code, the owner of the premises, the occupant of the premises, and the user of the service are jointly liable to the Village of Beecher for all water/sewer/refuse charges incurred at the premises.

The undersigned hereby consents to and authorizes the Village of Beecher to send the bimonthly water/sewer/refuse bills on the premises, directly to the current occupant of the premises. The undersigned further understands that failure of the occupant to pay such bills does not relieve the undersigned of the duty to pay such bills under the provisions of the Village Code.

The Village of Beecher only extends this option to single family residences and commercial accounts. The owner of the premises with multiple living units will be sent all water/sewer/refuse bills.

In the event the bill remains unpaid at the time notices are mailed, a late notice will be sent to the owner of the property in addition to the current occupant of the premises. The property owner will also be responsible for notifying the Village of Beecher if the occupant of the address changes.

I, as the current owner of the below referenced address in Beecher, Illinois, hereby authorize the current occupant to be sent the water/sewer/refuse bill from the Village of Beecher. I also understand that if the occupant fails to pay said bills, I will be held responsible for payment of any and all delinquent bills in addition to the current occupant. If the occupant moves and fails to pay bill, the owner will be responsible for collection and payment of past due amounts.
