

VILLAGE OF BEECHER

2022 CONCERT SERIES IN THE PARK

We're proud to officially announce dates and entertainment for the Village of Beecher Concert Series 2022! While planning this exciting series of events the Village Board was motivated by three main goals:

- More use of Firemen's Park and its amenities.
- Increasing the number of events for Village residents to enjoy in town.
- Build variety in our concerts and aim to have something for every resident to enjoy.

Those events below listed as 'Picnic in the Park' aren't planned to have food available for purchase so please plan to bring some treats to enjoy while you listen. We'd like to take a moment in advance to thank our hardworking Village employees, officers, and volunteers for all the work being done to help make this a success. We look forward to seeing you there and hope you have a great time!
